*A LEI-code is a global identification number for corporations and organisations which has been introduced following an initiative by the G20-countries. LEI-codes are mandatory pursuant to the provisions of e.g. MiFID II and MAR. An application for a LEI-code is made through a self-registration process with Local Operating Unit (LOU). Issuers in the Nordics can apply for obtaining LEI-codes at the following links: <http://nordlei.org> (the Nordics and Baltics) and <http://www.prh.fi> (Finland).

Information Distribution

The agreement for listing financial instruments at NDX and the Rulebook for Admission to Trading of Securitized Derivatives and Special Bonds on Nordic MTF (ETP) contains requirements for the issuer to disclose certain information to the general public. Please describe how NGM can obtain any information that is disclosed about the financial instruments that are listed on NDX and/or Nordic MTF (ETP).
