Conformance testing

Please be advised that the Member will be required to undertake conformance testing prior to the deployment, or a substantial update of, the access to the Trading System or the Member's trading system, trading algorithm or trading

strategy (please see section 3.3.4 and 4.2 of the member rules). Please contact support@ngm.se for further information on conformance testing.

Order record keeping

Please be advised that the Member is required to, when placing an order or quote, provide all of the information which is necessary in order for the Exchange to comply with the requirements on maintenance of relevant data relating to orders in financial instruments (please see section 5.2.2 of the member rules). Please contact support@ngm.se for further information on the requirements relating to the order record keeping-obligation.

Notification of algorithms

Please be advised that the Member is required to, prior to deployment or substantial update of any algorithm or trading strategy, certify to the Exchange that the algorithm or trading strategy has been tested to avoid contributing to or creating disorderly trading conditions. Please contact support@ngm.se for further information on testing of algorithms.

The following documents shall be attached to this application

Technical documentation

- A brief description of the Member's policy of use of the kill functionality (please see section 3.6.1 and 5.8.3 of the member rules).
- A brief description of the Member's pre-trade controls on price, volume and value of orders and usage of the Trading System (please see section 3.3.7 of the member rules).
- A completed form "Member Account Setup Request – NGM Elasticia".

Compliance documentation

- Two signed original of the Agreement regarding participation in trading at Nordic Growth Market NGM AB.
- Certificate of incorporation for the Member, demonstrating the authority of the person or persons who have signed the agreements above and this application.
- Copy of the Member's authorization to conduct any of the securities operations as set out in Annex I, section A, subsections 2-3 in MiFID II, or, if applicable, the authorization for a foreign company, within or outside the EEA, to conduct operations in its home country equivalent to those just referred to and which is under satisfactory supervision by a public authority or other authorized body in its home country.
- A complete application for approval and registration of traders.
- If the Member intends to provide DMA, a complete form "Notification of provision of direct market access".
- If the Member intends to provide SA, please contact legal@ngm.se.

[Signature page to follow]

It is hereby certified that (i) the clearing organization(s) referred to above, have not taken any measures to revoke the Member's authorization to act as a clearing member, or, alternatively, that no measures have been taken to revoke the custodial bank agreement referred to above, and that (ii) the information provided in this application and the attached documents is true, complete and accurate.
