Release Weekend Schedule – NGM & Spotlight Stock Market

Elasticia upgrade September 22-25, 2023

Elasticia upgrade September 22-25, 2023

RELEASE PLAN

System version upgrade for NGM & Spotlight Stock Market

A new version of the Elasticia trading system will be rolled out for NGM and Spotlight Stock Market. The roll out will take place during the weekend September 22-25, 2023. The first trading day in the new version will be Monday September 25, 2023.

The intended audience for the information presented here is:

- Elasticia integrators
- NGM and Spotlight members
- Market Data Vendors

IMPORTANT: BX Swiss is scheduled for a system release roll out during the weekend October 6-9, 2023. The details on the BX Swiss release will be communicated separately.

 **Note! This is a mandatory update - the protocols and schemas are updated.**

Actions required prior to release weekend

RELEASE PLAN

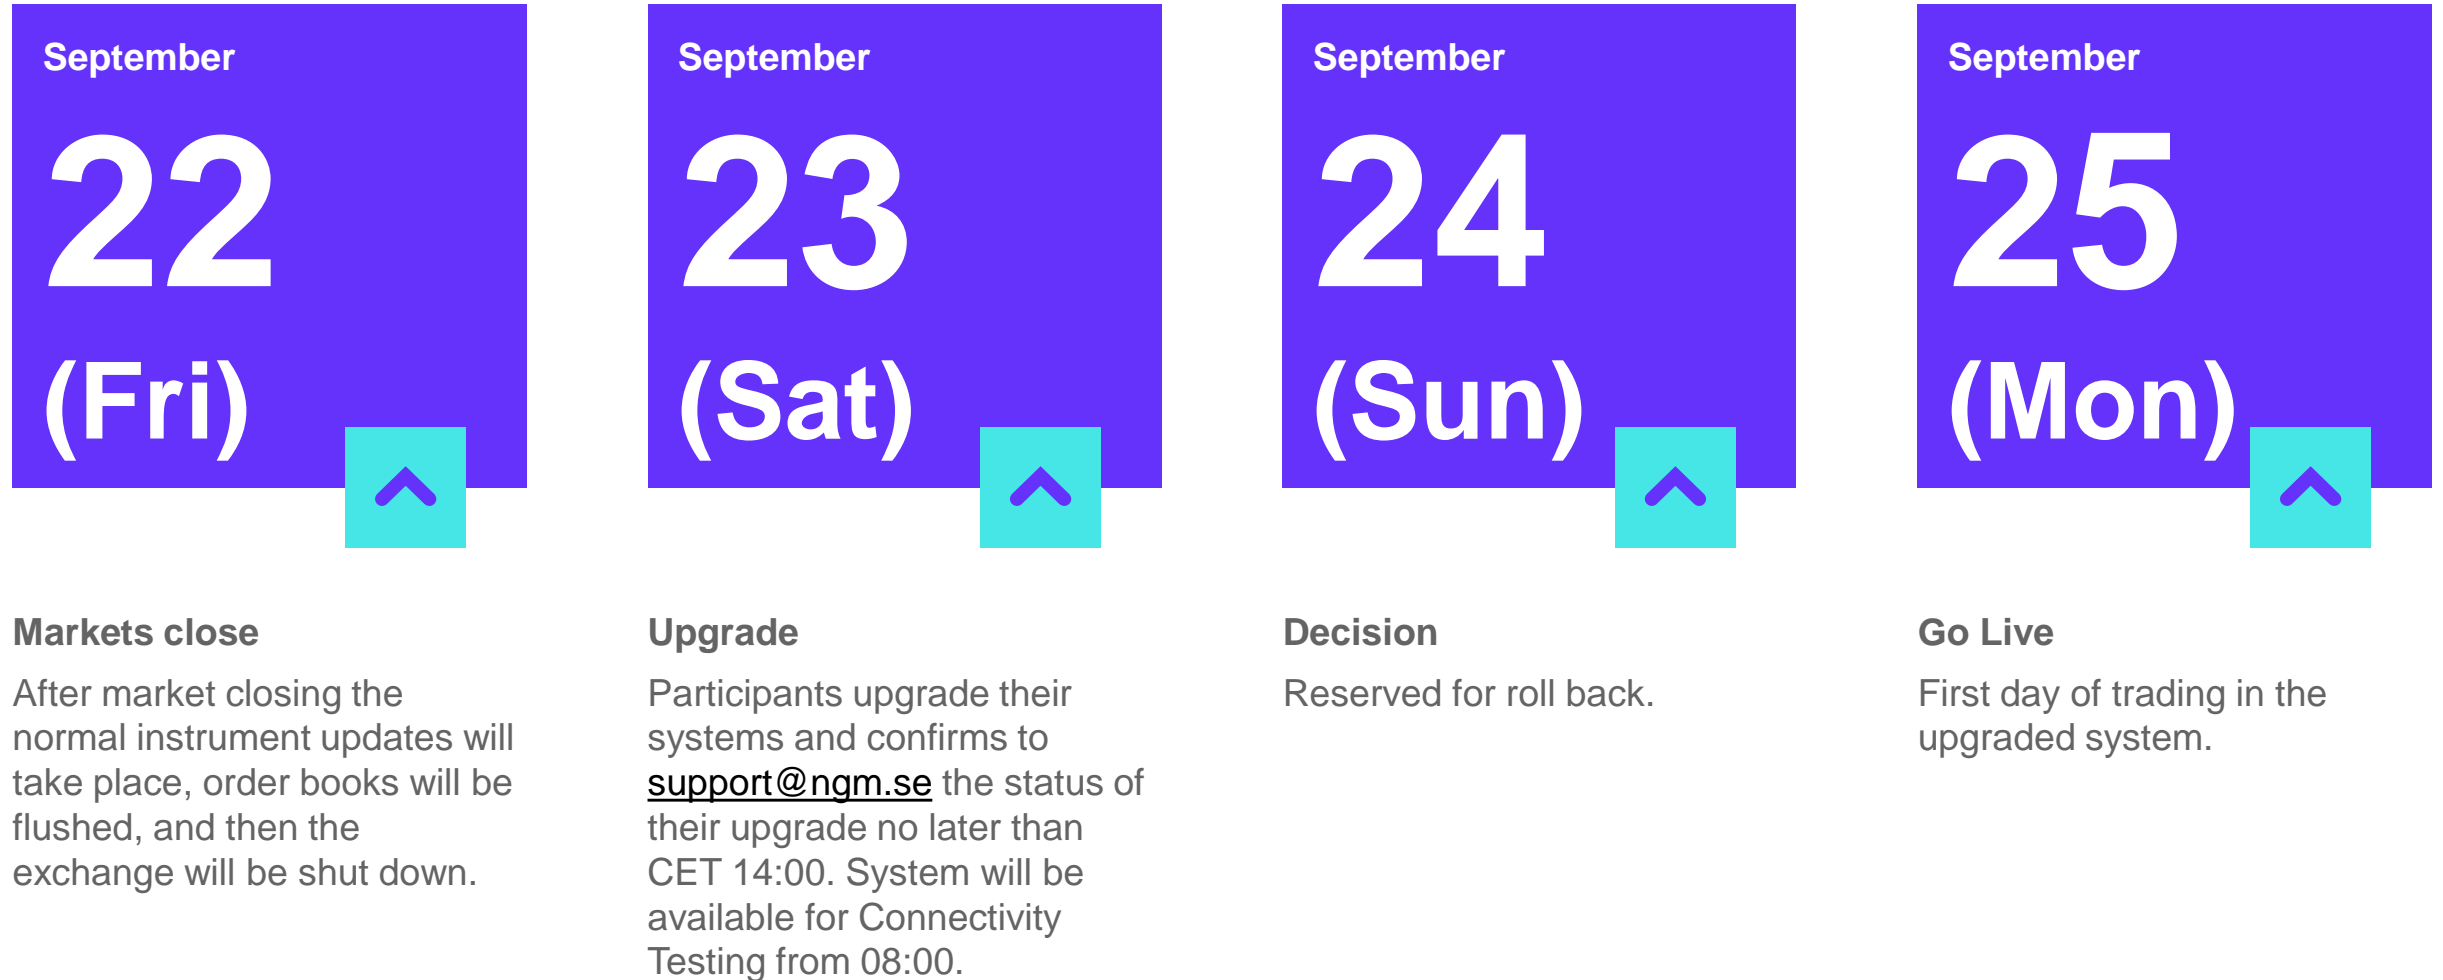

DEADLINE

Last day to send the following information to support@ngm.se

- Contact details for the release weekend (all participants)
- Confirmation on successful integration testing (integrators)
